

Fall/Winter 2014-2015

Dear Teacher,

RE: WINTER DAYS PROGRAM – SNOW PROCEDURES

The *Winter Days* program is presented by volunteers, some of whom rely on public transportation and/or come in from other parts of the Lower Mainland. Our weather at this time of year is unpredictable in that we frequently have at least one possible "snow day" during the course of *Winter Days*. **If there is even a small likelihood of snow in the forecast, please contact the museum staff at 604.990.3700, ext. 8007 a day or two before your program** to discuss how we will handle possible cancellation due to weather.

Thank you and we look forward to meeting your class.

Sincerely,

Carol Ballard, Education Programmer
