## IN THE HEART OF NORTH VANCOUVER

- A new museum is taking shape at 115 West Esplanade
- Located in a city-owned amenity space
- The new museum will have 16,000 sq. ft. of space for interactive exhibits, public gatherings, educational programs, and community events

**WE'RE BUILDING A MUSEUM AS EXTRAORDINARY AS THE COMMUNITY IT WILL SERVE**

- In the same way that libraries are no longer just about books, the new museum is not just about artifacts
- Our vision is to be a place where the stories of North Vancouver's people, places and past are given a voice
